

RIMECK®

Where protection and efficiency come first, RIMECK® workwear comes in. The RANGER collections made of high-quality heavyweight materials enhanced with CORDURA® certified material ensure exceptional resistance. The High Visibility line with 3M retroreflective stripes provides security in reduced visibility. T-shirts from the Resist collection can be washed at high temperatures - they remove all dirt and bacteria and thus fulfill even the most demanding hygienic requirements.

REDESIGNED CUT

new ready-made sizes

We introduce the new cut for Woody and Ranger line of workwear. The new slightly slimmer and longer design is anatomically shaped to allow for any motion.

Woody and Ranger work clothes are carefully designed and put together. The technical details, manufacturing process and use of the best materials don't change at all. The new cut still offers a number of multifunctional pockets, reinforced sections and reflexive elements.
